**Making Progress – Permanent Lane Closures and Traffic Shift on US 41/
SR 3/ Northside Drive**

ATLANTA – Weather permitting, construction on US 41/SR 3/ Northside Drive will require a lane closure and traffic shift. Georgia DOT contractors will close the northbound lane and shift traffic to the middle lane of US 41/SR 3/ Northside Drive. The closure and shift will take place on **Wednesday, April 29** from **Kingswood Lane to Arden Road**. This closure will allow workers to start digging for water line installation.

The lane closures and traffic shift are likely to result in delays. Motorists are advised to use caution while driving in the area.

The Georgia Department of Transportation continues its RoadWorks 2015 construction program. Dozens of important roadway improvement projects are ongoing throughout the state as we work to deliver projects on time and on budget while keeping our transportation network the nation's finest. Pardon the necessary inconvenience and please drive cautiously and safely at all times, especially in work zones.
